

# Stakeholder Platform and Dissemination Activities

## Stakeholder Platform

**50+ members from industries, academia, NGOs and Associations from across EU and beyond.**

**First plenary meeting January 21 20202 Bologna Italy**

**Second Plenary meeting post COVID-19**

**Meanwhile SP members active on questionnaires relative to waste management, scenarios, circular economy role of bio materials, public and industrial perceptions.**

**Discussion also initiating related to policy drivers and barriers**

**To join the SP partners simply send an email to me at [dn@bbia.org.uk](mailto:dn@bbia.org.uk)**

## Dissemination activities

**Until COVID-19 interruption partners attended events, seminars, conferences and workshops across the EU.**

**Website active**

**Information online updated**

**Newsletters**

**Twitter activities**

**COVID-19 forces us to rethink dissemination activities using instruments like today. There will be far fewer in person meetings in the next 12 months.**
